AD HOBE NOW TRYING TO GET OVER ID.

Watched Big Round Bood from Udder the Pides ad His Egg lish Is a Little Hazy Now id Consequence.

Mayor McClellan went to Lakewood last week because he was afraid an attack of the grip was coming on. He got back to-day with as fine a cold in the head as ever laid out the chief executive of a big city. The Mayor had a lot of engagements on to-day, but as he has some difficulty in making himself understood, he decided to cut them all and stay home. So the city machinery was run by various subordinates while the Mayor stayed home in a dressing gown and inhaled the aroma of only drugs through weird-looking pipes.
"A glorious place, Lakewood id the

Pines." said the Mayor to an Evening World reporter who asked him how he enjoyed his trip. "Fide bood there," he continued, "very fide bood." Saw a Fide Bood.

"I beg your pardon, Mr. Mayor; I don't quite understand." "Fine bood, I say, at Lakewood. We edjoyed the fide bood there."

"I beg your pardon again, Mr. Mayor, but I don't think I understand." "Dab id, dode you doe whad a fide bood is? Roud thig id the sky. Big "Oh, yes, fine moon."

"Sure, that's it," said the Mayor, triumphantly. "Great pides, too. Big-gest pide trees I ever saw. Trouble with be was I sad udder the pides and tooked at the bood until I got cold id by dose. Beastly udpleasad thig, cold id

The Mayor started up a weasy ms shine at this juncture and the room alled with a vapory substance which the official nose greedily sniffed up.

An Unpleasant Experience.

"Ah, I feel bedder, dow," said the Mayor, with a smile. "Just to thig that I : hould go to Lakewood to dodge this cursed grip and thed brig back a lore that would stagger a horse. Ud-cobbodly udpleasad. What? Oh, yes, I say, udcobbodly udpleasad." Uncommonly unpleasant,

"Sure cad you udderstad plaid Ig-glish? Dow tell the people of Doo glish? Dow tell the people of Doo Yorg, that they Bayor will be at his fesk sood. Glad to see you ady the, But say, rebebber whed you go to Lakewood that the pides are very fide ad the bood is, very bright, but dode sid adder a wud while you look at the other. Cud the bood out. Wish I had," and the Mayor turned loose another nostrum, in the vapor of which the reporter escaped.

WORE UNIFORM

That's Why Two Drillers Working in Front of Executive's Residence Failed to Recognize Him for Five Days.

"Say, Mike, don't drive the drill too and or you'll disturb the Mayor. "Sure, haven't I had the drill muffled for five days since we began the job, Andy? Didn't I vote for him and do you think it would be the likes of me to be disturbing him new that I have

And for five days the two men who have been drilling the stone columns in front of Mayor McClellan's residence, No. 10 North Washington Square, in preparation for the erection of the dayor's lamps, have thus cautioned and communed since they went on the job. To-day, as on every other day, they went to work at 10 o'clock, believing as they had always believed, that the Mayor was within doors and that it was during only the afternoon hours that he went to his office at the City

and he says he hopes you fellers will soon get through drilling."
"What!" exclaimed Mike.
"What!" echoed Andy. "And did the Mayor leave the house this morning?"
"Why, he just passed down the steps under your very eyes," said the blueceat.
"The dapper little man with the derby, the long coat and the cane?" inquired Mike.

Thought It Was Mayor's Son.

'The same," answered the man on "The same," answered the man on the beat.

"Well, by all the saints, sure we thought that was the Mayor's son. We've been on the job this five days and muffling the drill so that the Mayor wouldn't be disturbed. So the young man's the Mayor, is he? And me not to know it, after voting for him! I thought the Mayor was a General in the army and wore gold braid and a uniform. Did the likes ever happen to us before Andy?" And the two drillers looked at each other in amagement.

purpose. Hearing what your Paw-Paw did
for others I thought I would try It, and did
so, also using your Paw-Paw Pills, and I tell

Those who have ever felt its keen, cutting pains, or witnessed the intense suffering of others, know that Rheumatism is torture, and that it is rightly called "The King of Pain."

All do not suffer alike. Some are suddenly seized with the most excruciating pains, and it seems every muscle and joint in the body was being torn asunder. Others feel only occasional slight pains for weeks or months, when a sudden change in the weather or exposure to damp, chilly winds or night air brings on a fierce attack, lasting for days per haps, and leaving the patient with a weakened constitution or crippled and deformed for all time.

An acid, polluted condition of the blood is the cause of every form

and variety of Rheumatism, Muscular, Articular, Acute, Chronic, Inflammatory and Sciatic, and the blood must be purged and purified before there is an end to your aches and pains. External applications, the use of liniments and plasters, do much toward temporary relief, but such treatment does not reach the real cause or cleanse the diseased blood; but S. S. S., the greatest of all blood purifiers and tonics, does cure Rheumatism in all its forms by neutralizing the poisonous acids and building up the weak and sluggish blood. It makes the old acid blood rich, the pain-tortured muscles and joints are relieved, and the system is toned up by

the use of this great vegetable remedy. If you have Rheumatism, write us, and our physicians will furnish without charge any information desired. Book
